Here is the **APA 7th edition reference** for your YouTube video:

> I need the author/channel name to make it perfectly accurate. Since I only have the link, I'll format it in the standard APA structure using the video title placeholder style.

📚 APA Reference (YouTube Video)

YouTube Channel Name. (Year, Month Day). *Video title* [Video]. YouTube.
https://www.youtube.com/watch?v=RiTc6PxMchM ↗

⚠️ Important note (so your assignment is correct)

APA requires:

- **Channel name or author**
- **Upload date**

- **Exact video title**

Since those are not included in your message, you should:

👉 Open the video and copy:

- Channel name (author)
- Upload date
- Title

🧠 If you want a ready-to-paste final citation

Send me the video title or screenshot, and I'll ↪ convert it into a **perfect APA 7 citation with zero placeholders**.

here is the details:
038 Item Based Collaborative Filtering

Jassem GHRISS
185 subscribers

Here is your **correct APA 7th edition reference**:

> Ghriss, J. (n.d.). *038 item based collaborative filtering* [Video]. YouTube. https://www.youtube.com/watch?v=RiTc6PxMchM ↗

Notes (for accuracy)

- **Author:** Jassem Ghriss
- **Channel:** Jassem GHRISS
- **Date:** Not visible → use **(n.d.)** (no date)
- **Title:** kept in sentence case as per APA rules

If you want, I can also ↳ format it as an **in-text citation** for your report.

Give me APA reference for this conversation

Here is an **APA 7th edition reference** for this ChatGPT conversation:

> OpenAI. (2026). *ChatGPT conversation on item-based collaborative filtering, recommender system implementation, and Quarto report development* [Large language model]. https://chat.openai.com/ ↗

Optional (more formal version used in some universities)

> OpenAI. (2026). *ChatGPT (April 2026 version)* [Large language model]. https://chat.openai.com/ ↗

If your instructor is strict about AI citations, I can also format it as **"personal communication" style** instead—just tell me.

This conversaton is titled as Recommender System Approach

Here is the corrected **APA 7th edition reference** using your conversation title:

> OpenAI. (2026). *Recommender System Approach* [Large language model]. ChatGPT. https://chat.openai.com/ ↗

If your instructor prefers a slightly more formal AI-tool format, you can also use:

> OpenAI. (2026). *ChatGPT conversation: Recommender System Approach* [Large language model]. https://chat.openai.com/ ↗
